“J K Rowling said *"If you don't like to read, you have not found the right book"*. In our book group you are sure to find the right book.”

“Joining a Book reading group was a first for me and this Book Lovers Group made it so so easy to fit in as a very new member. The atmosphere is relaxed and convivial with even a cup of tea & biscuits thrown in for good measure !!!”

“The three books that I've experienced so far : The Essex Serpent, Mortmain Hall & Mala's Cat are three books that I would not normally have chosen to read. All have been enjoyable; as have been the different opinions & insights from each of the members when we get together.”

“Everyone was so friendly and welcoming when I joined. I value the companionship of other people who enjoy reading books as much as I do.”

“Having been encouraged to read a variety of books I have learned not to judge a book by it's cover!”

“I have been a book group member for many years and have read a lot of books that I would never have even looked at.”

“You don't have to be an avid reader, just someone who likes to read a bit.”

“The discussion meetings are fun. We usually have a good laugh - and always have a cup of tea and a biscuit.”

“I've belonged to a few book clubs over the years but this one is definitely the best. Good company, a wide selection of books and some great discussions.”
